ZARIERA

Website & Hosting Proposal

Your ZARIERA online store — storefront and admin panel — is built and ready. Below is the one-time development and the yearly hosting plans that keep it live. No monthly subscription.

ONE-TIME DEVELOPMENT

Your website & admin panel are already built

A complete online store — storefront, product pages, cart & checkout, Cash-on-Delivery orders, customer accounts, and a full admin panel to manage products and orders.

Rs 15,000
ONE-TIME DEVELOPMENT

A custom store normally starts at **Rs 1,00,000+** in the market — even for a single custom page. You get the **complete store** (storefront + admin panel) at a fraction of that price.

ANNUAL HOSTING & MAINTENANCE

Then pick a hosting plan

Keeps the store online, secure, updated and backed up — billed once a year.

Starter

Best for launching & steady sales

Rs 40,000

per year

- Cloud server — 1 vCPU · 2 GB RAM · NVMe SSD
- **.com.pk / .pk** domain (1 year)
- Free SSL / HTTPS security
- Database + Cash on Delivery orders
- Order & account email confirmations
- Full deployment & setup
- Email support · monthly backup

RECOMMENDED

Standard

Best for growing stores with regular traffic

Rs 55,000

per year

EVERYTHING IN STARTER, PLUS

- Faster server — 2 vCPU · 4 GB RAM · NVMe
- Weekly automated backups
- Priority support on WhatsApp
- Higher email sending limit
- Speed & basic SEO optimization

Premium

Best for high-traffic, busy stores

Rs 90,000

per year

EVERYTHING IN STANDARD, PLUS

- ✓ High-performance server — 4 vCPU · 8 GB RAM
- ✓ Daily backups + uptime monitoring
- ✓ Online card / wallet payment setup
- ✓ CDN for fast image loading
- ✓ Priority phone + WhatsApp support

IN EVERY PLAN

Included with all plans

- ✓ Complete website deployment & go-live
- ✓ Admin dashboard to manage products & orders
- ✓ Domain registered in the store's name
- ✓ SSL security & mobile-friendly design

ⓘ **Billed yearly.** Each plan is a single annual payment — no monthly subscription. Renewed once a year to keep the store online.

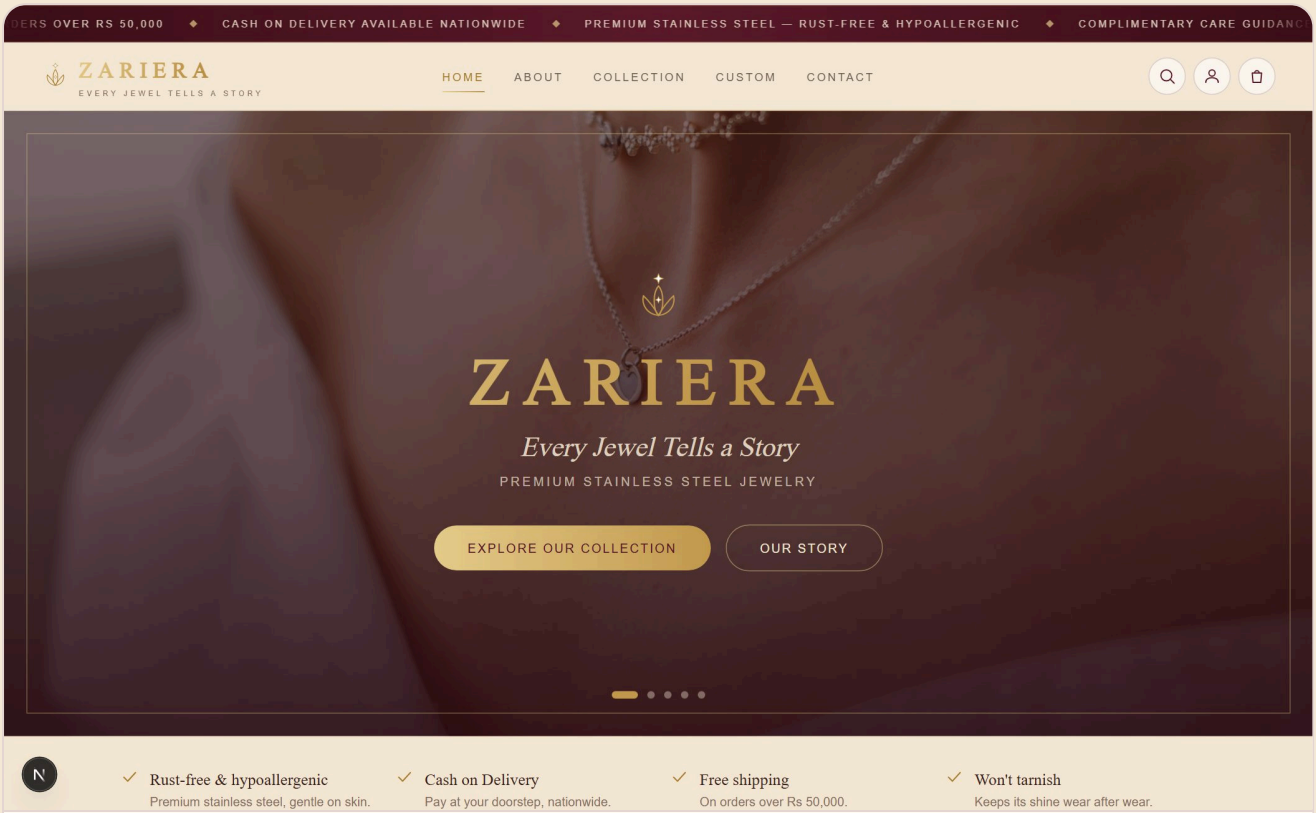

ⓘ **Cash on Delivery is free.** If online card/wallet payments are enabled (included in Premium), the payment gateway charges ~2% per online order — paid to the gateway, not us.

Fixes & changes. Keeping the site online is covered by your plan. If a specific issue needs fixing, or you request a change or new feature, it is handled for a small fee of **Rs 1,000–5,000** depending on the work involved.
